

## Product Specification Sheet

**Product Name:**

**FRESHLY SQUEEZED FLORIDA GRAPEFRUIT FLAVOR 7210**

**Product Description:**

Grapefruit flavor 7210 consists of a unique blend of specially selected freshly squeezed Florida grapefruit juice fractions, oils, essences and concentrated Grapefruit flavor components. This special combination of fresh flavor fractions provides a very unique grapefruit flavor with a superior fresh Florida grapefruit juice taste and aroma. The heat stability of this FTNF flavor is excellent.

**Suggested Usage:**

Fresh Squeezed Florida Grapefruit Flavor 7210 is used in reconstituted grapefruit juices, nectars, juice drinks, carbonated beverages, baking goods, and other applications where a fresh Florida grapefruit juice character is desired. The recommended dosage range is 0.05-0.10 ml/liter finished product.
