

Product Specification Sheet

Product Name:

FRESHLY SQUEEZED FLORIDA ORANGE FLAVOR 5400

Product Description:

Freshly Squeezed Florida Orange Flavor 5400 is a product of combined Florida and European leading edge fresh flavor technology. Flavor 5400 is From The Named Fruit (FTNF). It is a unique blend of specially selected freshly squeezed Florida orange juice fractions, concentrated oils, essences and other natural orange flavor components. This special combination of fresh flavor fractions provides a very unique orange flavor with a superior fresh Florida orange juice taste and aroma. The heat stability of this flavor is excellent.

Suggested Usage:

Freshly Squeezed Florida Orange Flavor 5400 is used in reconstituted orange juices, nectars, juice drinks, carbonated beverages, baking goods, fruit fillings, marmalades, and other applications where a fresh Florida orange juice character is desired. The recommended dosage range is 0.05-0.20 ml/liter finished product. (0.005-0.02%v/v).
